The survey will be open for one month and we will analyze results at our November meeting. Mary moved and Marianne seconded to authorize Juliana to spend up to \$200 for an Ad on Facebook. It will also be translated into Spanish.

The sub committee recommended that we do not need to do a provider needs survey. Instead we will use published documents to give us needed information. That info will be looked at during our October meeting. Juliana will send us the reports online.

Community and Parents' needs will be used to develop our goals for the next RFP.
