TIME STUDY INSTRUCTIONS, [Dec. 2020 through Feb. 2021 \(3rd Quarter FY 20/21\)](#)

The Employment and Human Services Department's (EHSD) time studies are a critical part of funding the programs administered by the department. Over 95% of EHSD's funding comes from federal and state revenues. Leveraging all federal and state funds is a critical component of balancing EHSD's budget. It is critical that staff time study daily and accurately.

Time studies are the basis for EHSD's financial reporting for federal and state reimbursement. In order to maintain accurate financial reporting and maximize federal and state revenue, all caseworkers and caseworker supervisors are required to complete monthly time studies. Clerical and Administrative staff will continue to do time studies on a quarterly basis, during the months of February, May, August and November.

This Department Memorandum **supersedes and updates** [the November 2020](#) time study instructions and provides revised time study instructions effective [February 2021](#). Changes to previous instructions are in **BOLD blue font**. Please thoroughly review all of the time study instructions.

All time studies will be completed electronically in the Time Study Buddy system. Time Study Buddy and the Program Code Descriptions (PCDs) can be accessed through the Department's Intranet site in the STARS/Search section or via the hyperlinks in this memo.
