

Emergency Broadband Benefit to Help Low-income Households with Digital Access Get Connected, Contra Costa!

Shoring up digital access for all Contra Costa residents continues to be a top priority at the **Employment & Human Services Department (EHSD)** especially with the pandemic underscoring the profound need for everyone to be connected.

Recently the federal government announced the **Emergency Broadband Benefit** for low-income households. Although not an EHSD program, we are letting you know about this opportunity for our community members. For anyone struggling to afford internet service, it may be helpful for them to find out if they qualify for this temporary FCC program.

Eligible households can enroll through an approved provider or by visiting [GetEmergencyBroadband.org](https://www.getemergencybroadband.org).

For other affordable internet and computer offers for eligible County residents, visit [ehsd.org](https://www.ehsd.org).
