Subject: 2021-2022 End of State Legislative Session Summary

Each year, Contra Costa County EHSD tracks a number of state bills that have direct impacts to human services as major policy and legislative changes affect our programs and service delivery.

The County Welfare Directors Association (CWDA) Legislation Committee meets monthly with all 58 California counties to provide guidance to County Welfare Departments on their position to support or oppose key bills in our policy areas of focus. These include Workforce Services, Children and Family Services, and Aging and Adult Services. We coordinate closely with CWDA to advocate on issues of importance to our clients and communities.

In addition, EHSD works closely with CWDA and other advocacy groups to monitor legislative and budget changes which are communicated to us in All County Welfare Directors Letter (ACWDLs), All County Letters/All County Information Notices (ACL/ACINs), and Fiscal Letters which directly impact policy and operations.

The **State Legislative 2021-2022 End of Session Summary** highlights our legislative bills tracked and chaptered (i.e. signed into law) this year.

The Policy & Planning (P&P) Division monitored over **400** bills and recommended the Contra Costa County Board of Supervisors take positions on at least **30** bills, budget requests, and resolutions, in partnership with the Senior Deputy County Administrator, our state and federal lobbyists, and the Board Legislation Committee.

To date, **143** of these bills have been chaptered and will take effect on **January 1, 2022**. Many touch on one or more programs such as CalFresh, CalWORKs, Foster Care Placements, Adult/Child Protective Services, health care, childcare, employment and training, and other areas of programming.

P&P is also tracking the federal [Build Back Better Act](#) which will have transformative impacts to our safety net services and the recently enacted [Infrastructure Investment & Jobs Act](#).

For more information or questions, please contact our Legislative Analyst, Luz Raygoza-Gonzalez (ASAIII) in the Policy and Planning Division at raygol@ehsd.cccounty.us.

Major Legislative Developments

The following bills have been chaptered this legislative session and will take effect January 1, 2022.

AB 323: Long-Term Health Facilities

This bill redefines a class "AA" violation as a class "A" violation that the department determines to have been a substantial factor, as described, in the death of a resident of a long-term health care facility. The bill would increase the civil penalties for a class "A," "AA," or "B" violation by a skilled nursing facility or intermediate care facility which improve quality-of-care deficiencies in nursing homes.

AB 389: Ambulance Services

This bill would specify that a county is authorized to contract for emergency ambulance services with a fire agency, as defined, that will provide those services, in whole or in part, through a written subcontract with a private ambulance service.

AB 396: CalFresh: Educational Programs

This bill requires higher education programs that qualify under the Employment and Training Services Student exemption to certify themselves with California Department of Social Services by June, 2022. This will increase the number of students eligible for CalFresh via federal funding.

AB 543: Public Postsecondary Education: Student Orientation: CalFresh

This bill requires the Trustees of the California State University and requests the Regents of the University of California to provide educational information about CalFresh and the student eligibility requirements for CalFresh to all incoming students as part of campus orientation.

AB 665: Care Facilities: Internet Access

This bill requires residential facilities serving adults, residential care facilities for persons with chronic life-threatening illness, and residential care facilities for the elderly with existing internet service to provide at least one internet access device that can support real-time interactive applications, is equipped with videoconferencing technology, and is dedicated for client or resident use, as specified.

AB 1004: CalWORKs eligibility: Income Exemption: Census

This bill exempts the income or stipend received from temporary work related to the decennial census. It also makes this provision retroactive and applicable to income or a stipend paid by the United States Census Bureau, a governmental entity, or a nonprofit organization for temporary work related to the most recent decennial census.

AB 366: Foster Youth: Placement of Siblings

This bill would prohibit the physical capacity of the home from being the sole reason to deny placement of a sibling group if each child in the home has an age-appropriate place to sleep and there are no other safety risks.

AB 461: CalWORKs: Welfare-to-Work: Self-Employment

For the purpose of calculating the number of hours a recipient is participating in welfare-to-work activities, this bill requires the number of hours for self-employment activities to be based solely on the number of hours the recipient is engaged in self-employment activities.

SB 609: CalFresh

This bill requires the State Department of Social Services to include adult education and career technical education programs in the list of programs that are deemed to meet the employment and training exemption set forth in the federal regulations.

Summary: Current federal law, for purposes of various provisions related to immigration, defines "alien" to mean a person who is not a citizen or national of the United States. Current state law uses the word "alien" on its own and within various other terms to refer to persons in provisions relating to, among other things, education, housing, natural resources, employment, probate, social services, drivers' licenses, firearm permits, service in the state militia, and criminal punishment. This bill would revise those state law provisions to refer instead to those persons using other terms that do not contain the word "alien," including a person who is not a citizen or national of the United States. The bill would make other related nonsubstantive changes. The bill would state the intent of the Legislature in enacting this measure to make only nonsubstantive changes, as specified.

Summary: The Long-Term Care, Health, Safety, and Security Act of 1973 defines a class "A" violation as a violation that the department determines presents either (1) imminent danger that death or serious harm to the patients or residents of the long-term health care facility would result therefrom, or (2) substantial probability that death or serious physical harm to patients or residents of the long-term health care facility would result therefrom. The act defines a class "AA" violation as a class "A" violation that the department determines to have been a direct proximate cause of death of a patient or resident of the facility. The act defines a class "B" violation as a violation that the department determines has a direct or immediate relationship to the health, safety, or security of long-term health care facility patients or residents, other than class "AA" or "A" violations. Class "B" violations are also, unless otherwise determined by the department to be a class "A" violation, any violation of a patient's rights as set forth in specified regulations that is determined by the department to cause, or under circumstances likely to cause, significant humiliation, indignity, anxiety, or other emotional trauma to a patient. The act requires the department to prove specific elements to enforce a citation for a class "AA" violation, including the element that death resulted from an occurrence of a nature that the regulation was designed to prevent. This bill would redefine a class "AA" violation as a class "A" violation that the department determines to have been a substantial factor, as described, in the death of a resident of a long-term health care facility. The bill would increase the civil penalties for a class "A," "AA," or "B" violation by a skilled nursing facility or intermediate care facility, as specified. The bill would delete numerous references to the "patients" of a long-term health care facility.

Current law requires information relevant to the incident of elder or dependent adult abuse to be given to specified investigators, including investigators from an adult protective services agency, a local law enforcement agency, and the probate court. This bill would also authorize information relevant to the incident of elder or dependent adult abuse to be given to a federal law enforcement agency, under certain circumstances, for the sole purpose of investigating a financial crime committed against the elder or dependent adult and would authorize the information to be given to a local code enforcement agency for the sole purpose of investigating an unlicensed care facility where the health and safety of an elder or dependent adult resident is at risk.

Summary: Current law authorizes a current or former resident or patient of a skilled nursing facility or intermediate care facility, as defined, to bring a civil action against the licensee of a facility who violates any of specified rights of the resident or patient or any other right provided for by federal or state law or regulation. Current law makes the licensee liable for up to \$500. Current case law interpreting that provision held that the \$500 limit on civil damages applies to each action and not to each violation. This bill would also authorize the legal representative, personal representative, or successor in interest of a current or former resident or patient of a skilled nursing facility or intermediate care facility to bring that civil action.

Summary: The Professional Fiduciaries Act defines a "professional fiduciary" as, among other things, a person who acts as a guardian or conservator of the person, the estate, or the person and estate, for 2 or more individuals at the same time who are not related to the professional fiduciary or to each other. Current law requires the court to be guided by what appears to be the best interests of the proposed conservatee in selecting a conservator, and sets forth an order of preference for appointment if there are multiple persons equally qualified to be the conservator. This bill would require a professional fiduciary with an internet website to post a schedule of the range of fees on their internet website and would require a professional fiduciary without an internet website to provide that schedule, as specified. The bill would require the bureau to impose specified sanctions on a professional fiduciary's license upon a finding of a violation of applicable statutes or regulations, a breach of fiduciary duty where there is a finding of serious financial or physical harm or mental suffering, or that the professional fiduciary has engaged in defined acts of abuse, as specified.

Summary: Current law authorizes an elder or dependent adult who has suffered abuse, or another person who is legally authorized to seek that relief on behalf of that elder or dependent adult, to seek a protective order and governs the procedures for issuing that order. Current law defines protective order for purposes of these provisions to include an order enjoining a party from specified forms of abuse, including attacking, stalking, threatening, or harassing an elder or dependent adult, an order excluding a party from the elder or dependent adult's residence, or an order enjoining a party from specified behavior that the court determines is necessary. This bill would include within the definition of protective order an order enjoining a party from isolating an elder or dependent adult. The bill would require certain requirements to be met for that order to be issued, including a showing by a preponderance of the evidence that the respondent's past act or acts of isolation of the elder or dependent adult prevented contact with the interested party and that the elder or dependent adult desires contact with the interested party, as specified.

Summary: The Nursing Practice Act provides for the licensure and regulation of the practice of nursing by the Board of Registered Nursing. Current law establishes a process by which a defendant's mental competency is evaluated and by which the defendant receives treatment, including, if applicable, antipsychotic medication, with the goal of returning the defendant to competency. Current law suspends a criminal action pending restoration to competency. This bill would repeal provisions regarding the restoration of competency for a person charged with a misdemeanor, or a violation of probation for a misdemeanor, including provisions regarding administration for antipsychotic medication. Summary: Current law requires each electrical or gas corporation to perform home weatherization services for low-income customers, as determined by the Public Utilities Commission, if the commission determines that a significant need for those services exists in the corporation's service territory, as specified. These services are generally known as the Energy Savings Assistance Program and are administered by each electrical or gas corporation. From January 1, 2022, to June 30, 2022, inclusive, this bill would define "low-income customers" for purposes of the program as customers with annual household incomes that are no greater than 200% of the federal poverty guideline levels. On and after July 1, 2023, the bill would define "low-income customers" for those purposes as persons and families whose household income is at or below 250% of the federal poverty level, and would prohibit the commission from increasing the authorized budgets for the program based on that expansion of income eligibility.

Summary: The California Community Care Facilities Act provides for the licensing and regulation of community care facilities, including group home facilities, short-term residential therapeutic programs, and adult residential facilities, by the State Department of Social Services. The department similarly regulates residential care facilities for the elderly. Current law requires administrators of these facilities to complete a department-approved certification program. Under existing law, the department is authorized to charge a fee of up to \$100 for an initial or renewal administrator certification, and an additional \$300 delinquency fee for processing a late renewal. Existing law also authorizes a fee of up to \$150 every 2 years to certification program vendors for review and approval of the training program, and \$100 every 2 years for review and approval of continuing education courses. This bill would uniformly refer to these certification programs as administrator certification training programs. The bill would revise the existing fee structure, commencing July 1, 2021, including making the \$100 fee for processing a certification application or renewal subject to a 10% increase each year for 4 years, and imposing a new examination fee of \$100 for 3 attempts, and a \$10 per unit fee for processing continuing education courses.

The bill would establish the California Youth Empowerment Commission in state government consisting of 13 voting commissioners between 14 and 25 years of age and meeting specified requirements, with 11 members appointed by the Governor, one at-large member appointed by the Senate Committee on Rules, and one at-large member appointed by the Speaker of the Assembly, along with several ex officio, nonvoting members from various geographic regions of the state. The bill would establish the commission to be advisory in nature, for the main purpose of providing meaningful opportunities for civic engagement to improve the quality of life for California's disconnected and disadvantaged youth.

Summary: The Guardianship-Conservatorship Law authorizes a probate court, upon hearing of a petition by a parent, relative, or other person, to appoint a guardian of a minor in accordance with specified provisions of law governing the custody of a minor child. Current law authorizes a court hearing a guardianship petition, if the proposed ward is or may be abused or neglected, to refer the matter to the local child welfare services agency to initiate an investigation to determine whether proceedings in juvenile court should be commenced. This bill would revise the probate court guardianship process by requiring, among other things, the probate court to have good cause to waive the investigation and prohibiting the probate court from hearing and determining the petition to appoint a guardian until the child welfare agency has completed its investigation and submitted its report to the probate court.

Summary: Current law requires the Office of the State Foster Care Ombudsperson to be established in the State Department of Social Services with prescribed powers and duties relating to the management of foster children, including the dissemination of information on the rights of children and youth in foster care. Current law requires the Director of Social Services, in consultation with a committee of interested individuals chosen by the director, to appoint the ombudsperson for a term of 4 years. Under existing law, the office is required to keep information obtained by the office from a complaint confidential. This bill would define "foster care" for purposes of the ombudsperson's duties to include voluntary or governmental placements in certain residential facilities, with a resource family, or with a family pending approval as a resource family, or placement pursuant to a juvenile court order, as specified.

Summary: Current law requires the State Department of Social Services to adopt standards pertaining to the home environment and permanency assessments of a resource family according to specified standards, including that the total number of children residing in the home of a resource family be no more than the total number of children the resource family can properly care for, regardless of status, and may not exceed 6 children, except as specified. Summary: The California Community Care Facilities Act requires the State Department of Social Services to license and regulate transitional housing placement providers pursuant to the act. Under

current law, a transitional housing placement provider is an organization licensed by the department to provide transitional housing to foster children at least 16 years of age and to nonminor dependents to promote their transition to adulthood. Current law requires a transitional housing unit to meet certain housing and supervision requirements, which may include a host family certified by a transitional housing placement provider with whom a participant lives in an apartment, single-family dwelling, or condominium. This bill would require a transitional housing unit with a host family to include supervised transitional housing services provided by the licensed transitional housing placement provider. With respect to a transitional housing placement program serving nonminor dependents, the bill would additionally authorize certain entities, including a resource family approved by a foster family agency or a county, a licensed foster family home, a certified family home, an approved relative caregiver, or a nonrelative extended family member of a participant to operate as a host family.

The act requires certain professionals, including specified health practitioners and social workers, known as "mandated reporters," to report known or suspected child abuse or neglect to a local law enforcement agency or a county welfare or probation department, as specified. Summary: Current law authorizes, in certain circumstances, a child who has been removed from their

parent or guardian to be placed with a relative or nonrelative extended family member if the relative or nonrelative extended family member is either an approved resource family or has been assessed by a county social worker or a county probation agency and, among other things, the relative or nonrelative extended family member has not been convicted of a crime for which a criminal record exemption cannot be granted, has been granted a criminal record exemption, or, in certain circumstances, a criminal record exemption is pending. This bill would, notwithstanding those provisions, authorize the court to order placement with a relative, regardless of the status of any criminal exemption or resource family approval, if the court finds that the placement does not pose a risk to the health and safety of the child.

Summary: Current law provides that the Legislature finds and declares that the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act (Public Law 116-136) Child Care and Development Block Grant supplemental payment awarded funds to California to address the impact of the COVID-19 pandemic on childcare providers and the families they serve, including to prevent, prepare for, and respond to the pandemic emergency, to provide assistance to childcare providers in the case of decreased enrollment or closures, and to provide childcare assistance to essential workers during the response to the pandemic. Current law provides that it is the intent of the Legislature to allocate funds to restore amounts either directly or through reimbursement for obligations incurred relating to childcare and the pandemic. Current law requires the Controller to transfer, on July 1, 2020, \$152,314,000 from the Federal Trust Fund, and consistent with the federal Coronavirus Aid, Relief, and Economic Security (CARES) Act Child Care and Development Block Grant supplemental payment requirements, to the General Fund to offset the state costs incurred in the 2019–20 fiscal year. For the 2020–2021 fiscal year, current law appropriates \$198,000,000 from the Federal Trust Fund to the Superintendent of Public Instruction for COVID-19 pandemic-related relief and assistance for childcare providers, the families those childcare providers serve, and essential workers, as prescribed. This bill would instead require \$42,014,000 to be transferred on July 1, 2020, and would instead appropriate \$308,000,000 for the 2020–2021 fiscal year thereby making an appropriation.

Summary: Current law requires the State Department of Social Services to enter into a subvention services agreement with a nonprofit organization to administer the School Supplies for Homeless Children Fund, and repeals the fund on January 1, 2022, unless a specified minimum contribution amount is not met. Summary: The Mobilehome Residency Law prescribes various terms and conditions of tenancies in mobilehome parks. Current law defines "tenancy" for these purposes as the right of a homeowner to use a site within a mobilehome park on which to locate, maintain, and occupy a mobilehome for human habitation, including the use of the services and facilities of the park. The Tenant Protection Act of 2019 prohibits, with certain exceptions, an owner of residential real property from increasing the gross rental rate for a dwelling or unit more than 5% plus the percentage change in the cost of living, as defined, or 10%, whichever is lower, of the lowest gross rental rate charged for the immediately preceding 12 months, subject to specified conditions. Current law excludes an owner or operator of a mobilehome park and an owner of a mobilehome or their agent from these provisions. Summary: Would enact the Midwifery Workforce Training Act, under which the Office of Statewide Health Planning and Development would, upon appropriation by the Legislature, contract with programs that train certified nurse-midwives and programs that train licensed midwives to increase the number of students receiving quality education and training as a certified nurse-midwife or a licensed midwife, as specified. The bill would require the office to contract only with programs that include, or intend to include, a component of training designed for medically underserved multicultural communities, lower socioeconomic neighborhoods, or rural communities, and that are organized to prepare program graduates for service in those neighborhoods and communities.

Summary: Current law requires unemployment compensation benefits administered by the Employment Development Department (EDD), child support payments made through the State Disbursement Unit of the Department of Child Support Services, and specified public assistance payments, including payments made under the California Work Opportunity and Responsibility to Kids (CalWORKs) program, that are directly deposited to an account of the recipient's choice to be deposited into a qualifying account. This bill would change the definition of qualifying account, including eliminating a prepaid card account and instead authorizing a prepaid account or a demand deposit or savings account offered by or through an entity other than an insured depository financial institution, as specified, that is not attached to an automatic credit or overdraft feature, unless the credit or overdraft feature has no fee, charge, or cost, or it complies with the requirements for consumer credit

under the federal Truth in Lending Act.

Summary: Current federal law provides that students who are enrolled in college or other institutions of higher education at least half time are not eligible for SNAP benefits unless they meet one of several specified exemptions, including participating in specified employment and training programs. Current state law requires, for the purposes of determining eligibility for CalFresh, certain educational programs, as determined by the State Department of Social Services, to be considered employment and training programs, thereby qualifying a student participating in one of those programs for an exemption, unless prohibited by federal law. Current law requires the department to maintain and regularly update a list of programs that meet the employment and training exemption set forth in federal regulations. This bill would require the department, upon an appropriation by the Legislature for this purpose, and to the extent permitted by federal law, to include adult education and career technical education programs in the list of programs that are deemed to meet the employment and training exemption set forth in the federal regulations.

Summary: Current law requires the Department of Corrections and Rehabilitation and the Department of Motor Vehicles to ensure that any eligible inmate released from state prison has a valid identification card. Current law defines "eligible inmate," in part, as a person who has previously held a California driver's license or identification card, who has a usable photo on file with the Department of Motor Vehicles that is not more than 10 years old, and who meets certain requirements, including that they have provided, and the Department of Motor Vehicles has verified, specified information, such as the inmate's true full name. This bill would delete the requirements that the usable photo on file be no more than 10 years old and that the person have no outstanding fees due for a prior identification card, would require a new photo to be taken if the photo on file is deemed unusable, and would require the inmate to provide, and the Department of Motor Vehicles to verify, their California residency for purposes of obtaining an identification card.

Summary: Current law requires each electrical or gas corporation to perform home weatherization services for low-income customers, as determined by the Public Utilities Commission, if the commission determines that a significant need for those services exists in the corporation's service territory, as specified. These services are generally known as the Energy Savings Assistance Program and are administered by each electrical or gas corporation. From January 1, 2022, to June 30, 2022, inclusive, this bill would define "low-income customers" for purposes of the program as customers with annual household incomes that are no greater than 200% of the federal poverty guideline levels. On and after July 1, 2023, the bill would define "low-income customers" for those purposes as persons and families whose household income is at or below 250% of the federal poverty level, and would prohibit the commission from increasing the authorized budgets for the program based on that expansion of income eligibility.
